

St. John Neumann
Religious Education Program Calendar
2011-2012

One Session PreK thru 8th grade and RCIA for children

Time: 10:00AM – 11:15AM

Location: Most Blessed Sacrament School

Drop off of students will be at the front door of the school. Doors will be locked at 10:10AM sharp for safety and security reasons. If you arrive past that time, please escort your child to the door.

Pick up of students will be from the side exit of the school (side facing St. John Neumann). Vehicles will line up, turn engines off, and wait for the dismissal of the children. Traffic monitors will be there to assist. The volunteer Catechists/Aides will be escorting the children outside for pick up. Please be on time and look for your child(ren) as they exit. Please DO NOT attempt an alternate pickup procedure. We have found this method of pick up to be the safest and most efficient
